

BALI 4.6

2024 | 14.28 m | FOR SALE

OVERVIEW

The BALI 4.6 offered here, launched in October 2023, represents a particularly refined configuration and exceptionally well-appointed.

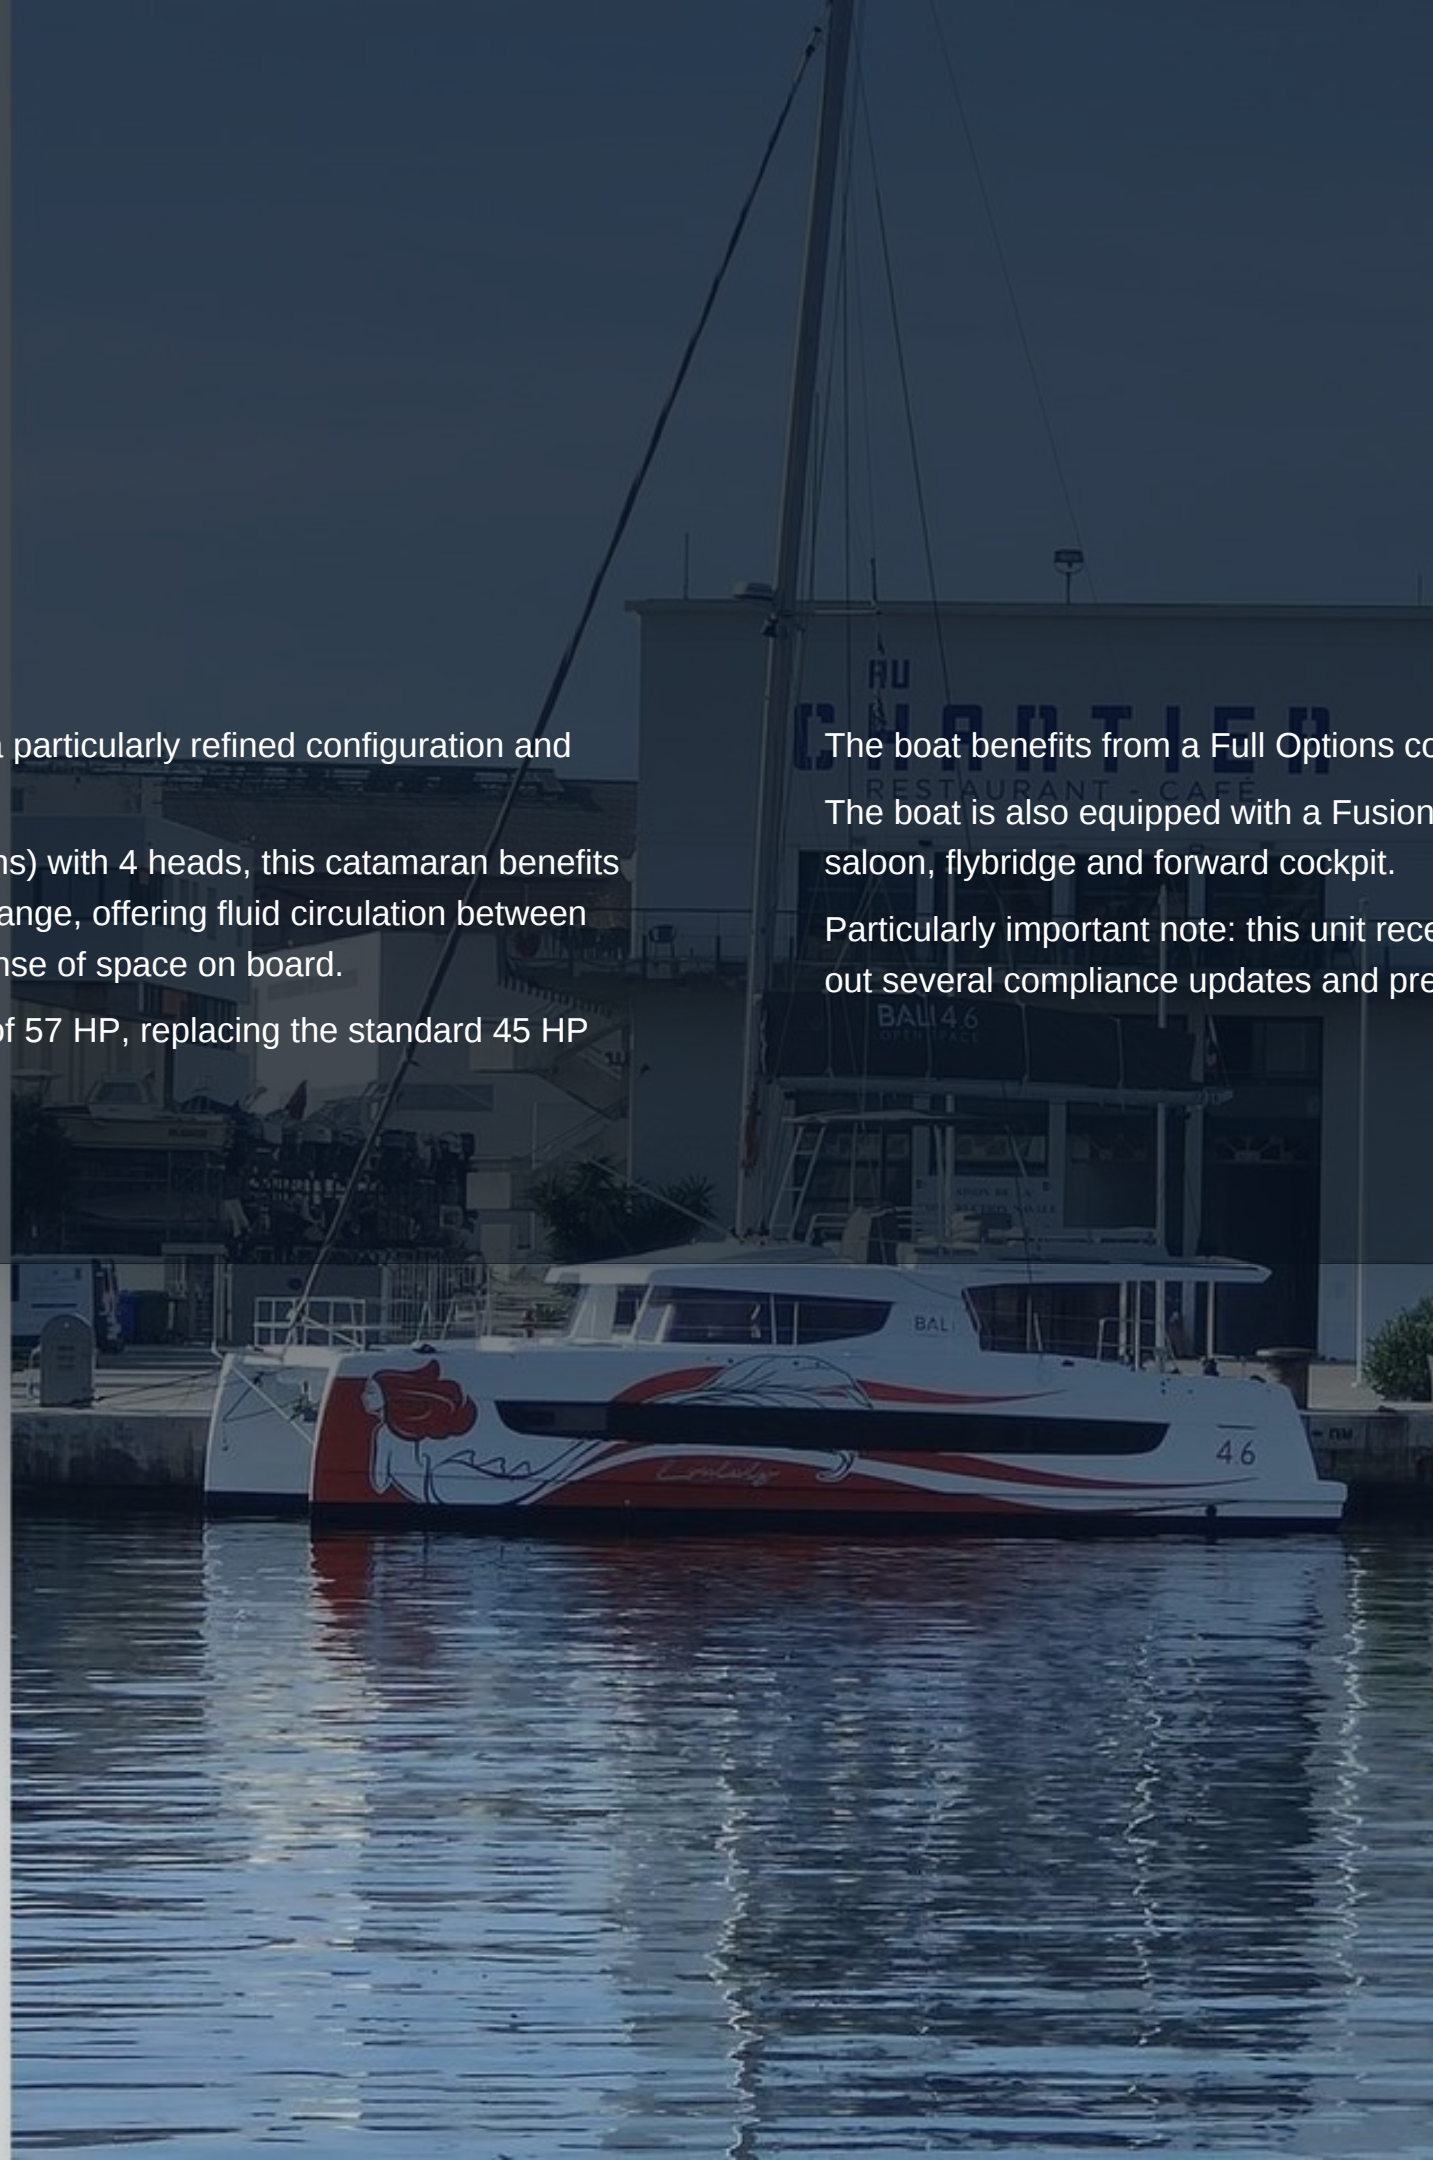

Presented in a 5-cabin version (2 starboard cabins and 3 port cabins) with 4 heads, this catamaran benefits from the signature volumes and open-concept design of the BALI range, offering fluid circulation between interior and exterior spaces as well as a particularly remarkable sense of space on board.

This unit is equipped with reinforced engines, 2 x Yammer 4JH57 of 57 HP, replacing the standard 45 HP versions, offering greater flexibility, sailing comfort and range.

The boat benefits from a Full Options configuration with Excellence shipyard package including notably:

The boat is also equipped with a Fusion Bluetooth Hifi system with 6 speakers distributed between the saloon, flybridge and forward cockpit.

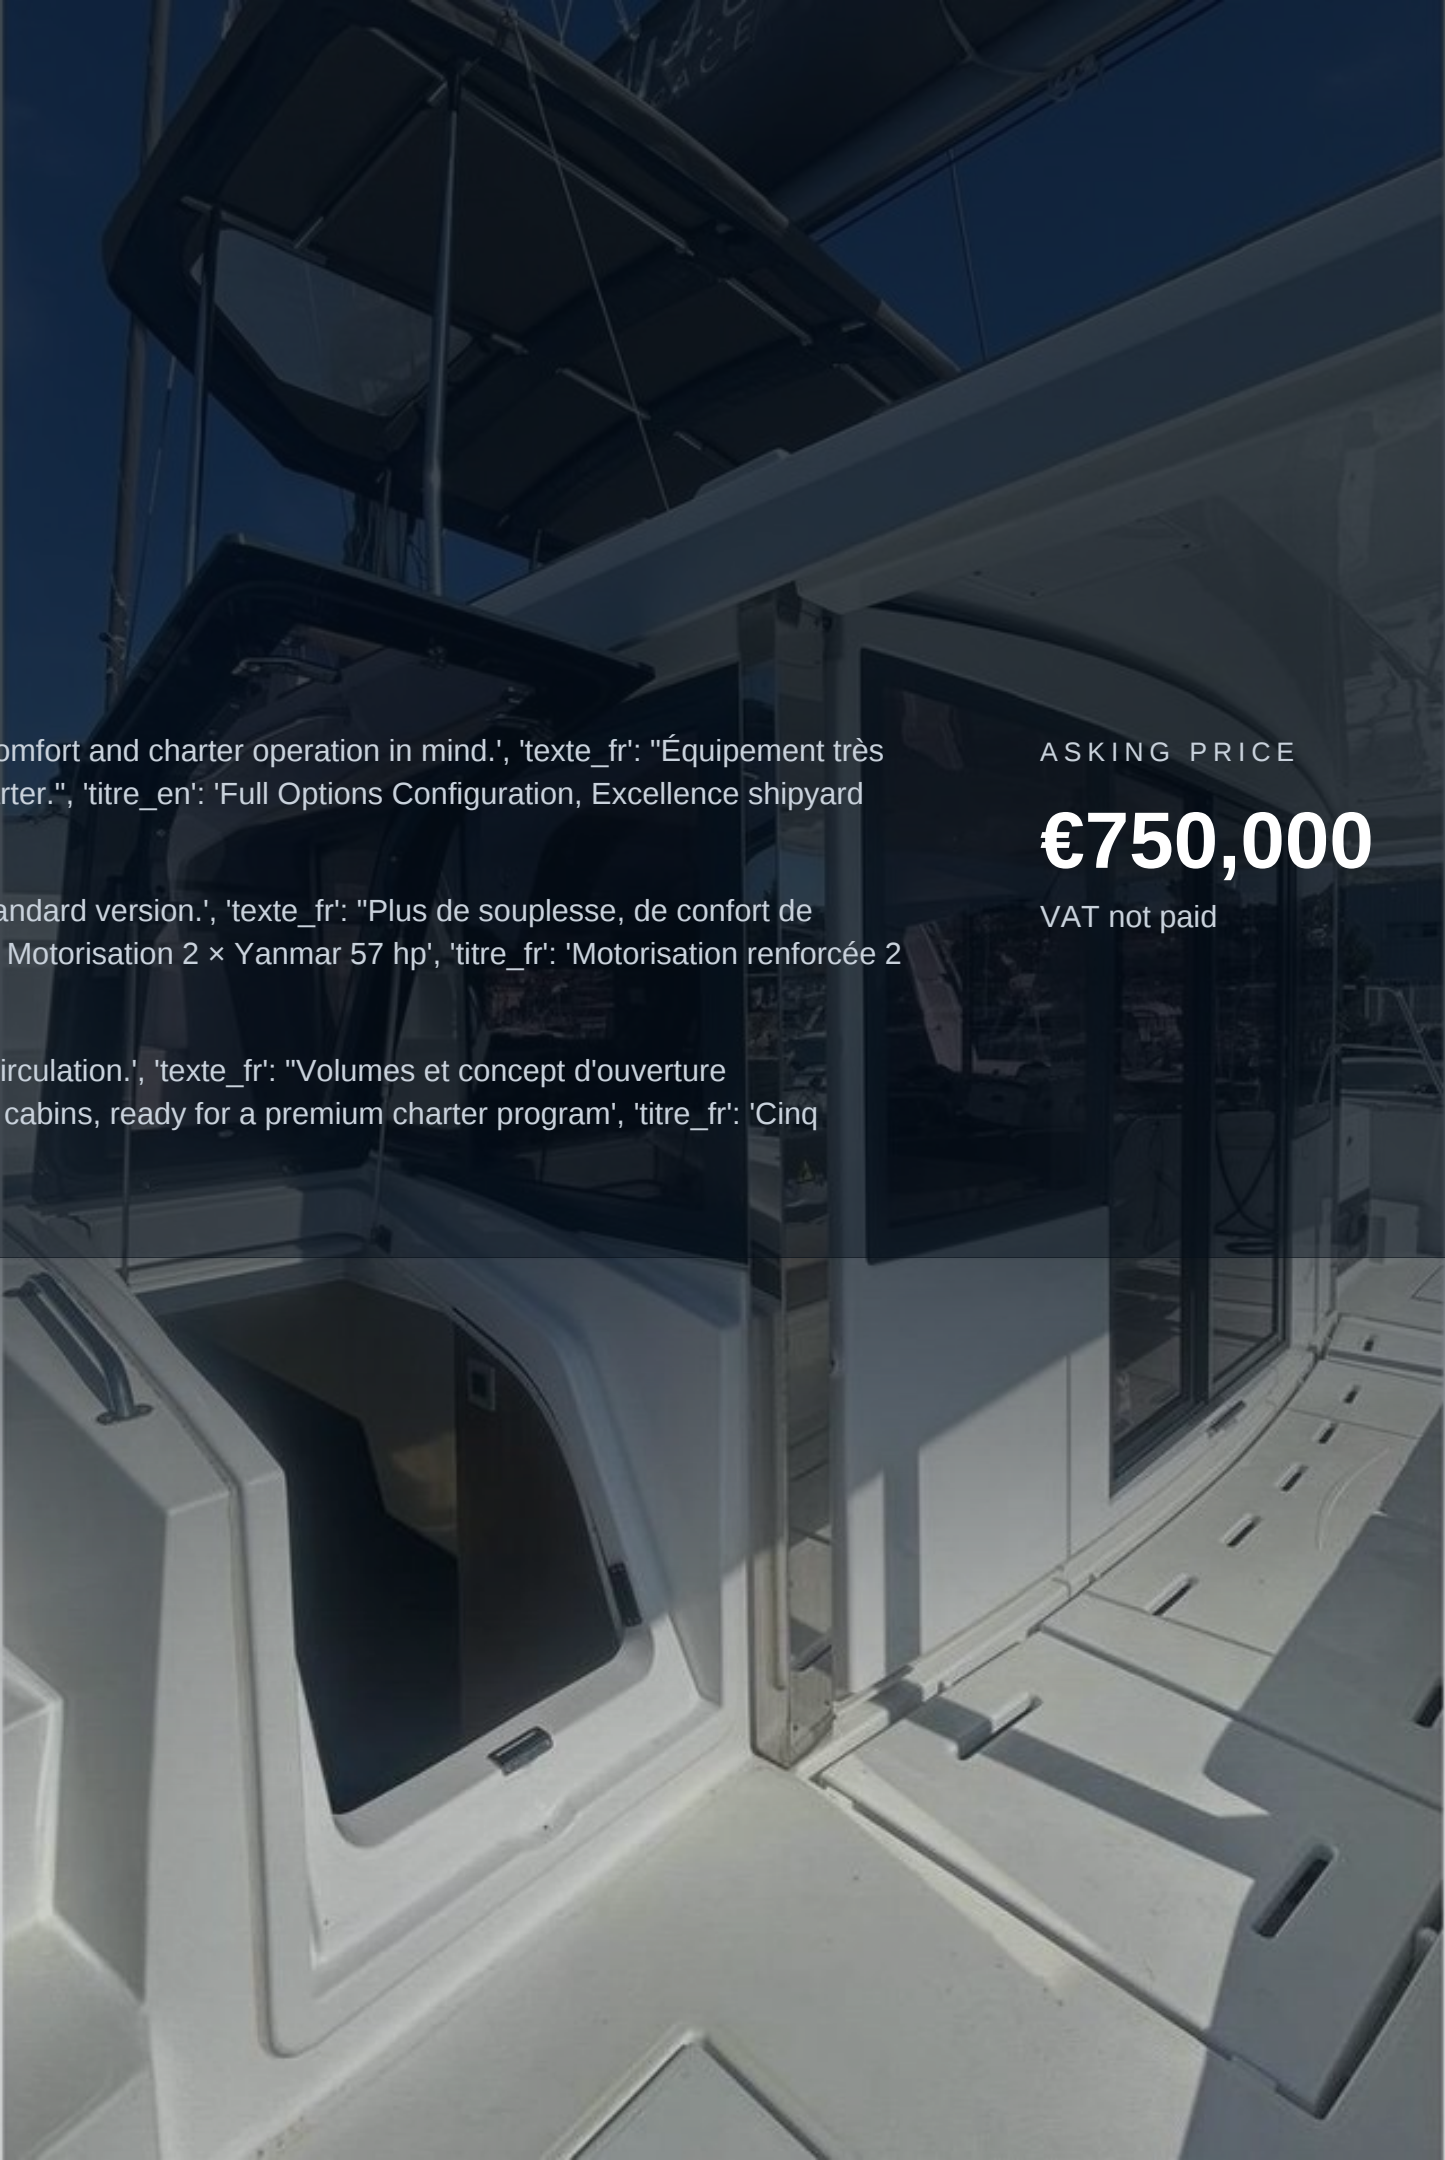

Particularly important note: this unit recently underwent a full service directly at the BALI shipyard to carry out several compliance updates and preventive replacements:
