

SESSA C35

ELEGANCE AND PERFORMANCE AT SEA

The Sessa C35 is a sporty motor yacht measuring 11.33 meters in length and 3.45 meters in beam.

It features a hardtop with a semi-enclosed cockpit.

The layout includes two cabins accommodating up to four guests, along with one bathroom.

Powered by twin Volvo Penta D4 engines (260 HP each), it can reach a top speed of 35 knots. Fuel capacity is 460 liters, and the freshwater tank holds 286 liters.

This yacht is ideal for couples or small families, offering a great balance of performance and comfort.

SUMMARY

A white motorboat named MANATEA is docked at a pier. The boat features a wooden deck, beige upholstered seating, and a small table with two white plates and a vase of flowers. A stainless steel ladder is mounted on the stern. The name MANATEA is visible on the transom. The boat is surrounded by water and a concrete pier.
